

THE DEANERY

Church of England High School and Sixth Form College

June 2021

Dear Student

We are delighted that you have taken an interest in studying Art and Design at the Deanery CE Sixth Form College. We are proud to have a consistent 100% pass rate, an increasing number of students achieving higher grades and, as a college, the highest "value added" for students completing academic subjects of any college in the Wigan area.

We would like to take the opportunity to inform you that we are available, via email, should you wish to discuss anything A level (Art and Design) related or the Bridging Units recently sent to you.

To ensure a smooth transition into your Sixth Form studies, we would advise you prioritise the 'creating your own brief' option within the bridging unit tasks. This will enable you to independently start to explore your ideas, research your theme, develop artwork and create a focus, should you choose to explore the additional bridging units available.

Romans 12:6

'Having gifts that differ according to the grace given to us, let us use them'.

We look forward to supporting you in exploring your creative ideas.

Yours faithfully,

Mr D Brown
Head of Art, Technology and Engineering
