Dear Parent/Guardian

We are the new catering provider at your child's school. We are absolutely delighted to be working with The Deanery Church of England High School. As we move towards our first day of service and the beginning of our relationship with The Deanery and yourselves, we thought we would give you some information about Midshire Signature Services.

We are an independent contract caterer providing specialist catering, cleaning, and support services, predominantly throughout the Northwest. Midshire Signature Services is a family run business and owned by husband and wife, Phil and Sue Bradwell.

Mission Statement:

'We are positively passionate, personable and professional in all that we do'

We will be launching our secondary education brand "Diners Republic" in the main dining hall and outdoor pods and exclusively for the sixth form common room we will launch our Signature Coffee Co-branding.

Diners Republic will run a three-week seasonal menu cycle providing a full range of meals and snacks. We are a fresh food company, cooking meals from fresh ingredients and offering value for money in a variety of offers. At The Deanery the meal deal price will continue to be £2.60, and this allows your child to select any main meal, dessert and a bottle of water. The method for providing credit and topping up credit will remain unchanged, this also means that your current balances are safe and will be available to spend on our first day. If you don't have credit on your account, don't forget to top up so your child can enjoy lunch with us after February half term! Please remember if your child has no money on their account, or is in debt, they won't be able to buy food or drinks. Please speak to your child's head of year if you are worried about this.

Exclusive for 6th Form, Staff & Visitors

The Signature Coffee Co in the sixth form common room will provide a variety of coffee and hot drinks, along with a Grab & Go offer for the students away from the main dining area, which we believe will be a valued addition.

We are delighted to be working with The Deanery and believe we can enhance the food offer, making lunchtime an enjoyable experience, putting the pupils at the centre of all our activity.

Should you have any questions please contact the school who can in turn request information from Midshire, or visit our website @ www.midshiresignatureservices.co.uk

Yours faithfully,
Midshire Signature Services
