

THE DEANERY

Church of England High School and Sixth Form College

1st April 2020

Dear Student

We are delighted that you have taken an interest in studying Mathematics at the Deanery CE Sixth Form College. We are proud to have a consistently high pass rate especially students achieving high grades and the popularity of A level Mathematics continues to grow both in College as well as nationally. We are one of the most popular subjects in sixth form.

We would like to take the opportunity to inform you that we are available, via email, should you wish to discuss anything A level (Mathematics) related or the Bridging Units recently sent to you.

We are also going to keep in touch with you setting transition resources and creating a group online learning platform to ensure you have all the available information, support and resources in advance of your move into sixth form.

If you require any information or support, please feel free to contact us on the email addresses below.

Yours faithfully,

Mr P Benson
Assistant Head of Mathematics
