

CEIAG at the Deanery High School & 6th Form College

Measuring and assessing the impact of the careers programme

The Deanery High School and 6th Form College measures the impact of its CEIAG programme through termly completion of the Careers and Enterprise Company's Compass Benchmark Tool, supporting Gatsby Benchmark 1.

Pupil, parent, staff, and external provider feedback is collected through feedback and event evaluations, including the annual Careers Fair and Year 11 Mock Interviews.

Feedback is used to assess effectiveness and inform strategic planning.

Destination data is reviewed annually to ensure our provision enables successful transitions. This cyclical evaluation process ensures continuous improvement and alignment with statutory guidance.
