We expect students to dress suitably for a work environment.

Please avoid extremes of fashion and ensure you dress in a manner which represents the college.

If you have to stop and think whether what you are wearing is suitable, then it is probably not.

All students must dress in a manner acceptable to the college and appropriate to courses of study.

- There are to be no plunging neck lines, bare shoulders or bare midriffs
- There must be no visible bras or bra straps (including spaghetti style strap tops or dresses)
- Skirts & shorts must be of a suitable length
- Trousers should fit properly
- Clothing that has slogans on it which may cause offence to others may not be worn
- Hats and sunglasses are not to be worn
- No outdoor coats are to be worn during lessons.
