

Hi,

I hope you are well.

You have expressed an interest in studying Law at the Deanery Sixth Form College. I wanted to take this opportunity to introduce the subject to you.

I have attached a PowerPoint that explains a little more about studying law and what you will learn on the course. There is also a link to a really interesting website where you can listen to cases and decide what sentence you would have given to each offender.

If you have not already done so, I encourage you to complete the bridging unit at www.deanery.wigan.sch.uk/bridging-units/

I hope to see you in our 6th form in September.

Kind regards,
Mrs McLoughlin-Settle
